

Joint Collective Bargaining Update

Living Waters Catholic Separate School Division

&

ATA Woodland Rivers Local No. 40

The Collective Bargaining Committees of Living Waters Catholic Separate School Division and ATA Woodland Rivers Local No. 40 conducted a full day of negotiations on Monday, December 2, 2019. The meeting was the third of those scheduled to take place this Fall.

The lengthy meeting agenda included such matters as:

- ✓ Financial position of the School Division resulting from the outcome of the 2018-2019 Audited Financial Statement and adjusted revenue for the 2019-2020 School Year;
- ✓ Continued discussion and exchange of proposal packages for settlement provided/presented by both Parties; and
- ✓ Identification, explanation, clarification and discussion of "Priority Items" of both Committees required for resolution and inclusion in a Memorandum of Agreement.

Presentations, questions and conversations at the Bargaining Table continue to be informative, respectful and productive. The Parties are committed to continue building on the existing positive momentum in order to conclude an Agreement.

Due to the upcoming Holiday Season commitments of Teachers, School Division Administration and Trustees, it has been impossible to identify additional meeting dates in December. The next scheduled meeting is for March 18, 2020.

We will continue the Joint Release Information Updates throughout the process.
