

Building pathways to the future

MEDIA RELEASE – *November 6, 2019*

On Friday, November 1st, the Government of Alberta announced the approval of Living Waters number one priority listed on their Capital Plan – A New Elementary School for Whitecourt.

The Living Waters Board of Trustees approved the 2019-2022 Capital Plan at a regular meeting of the Board in March 2019.

“On behalf of our staff, students and families, we want to thank the Government of Alberta for this announcement,” said Board Chair Dana Kentner. The request for a new elementary school in Whitecourt has been a number one priority for several years on the Living Waters Capital Plan and now it will become a reality.

The Living Waters Catholic Separate School Division looks forward to working with Alberta Education and Infrastructure on this project.
