

Serving the communities of Edson, Slave Lake and Whitecourt

Jon Jette

Joins Living Waters Catholic Schools as Principal of St. Mary of the Lake School in Slave Lake

Living Waters Catholic School Superintendent Jo-Anne Lanctot, is pleased to announce the following administrative appointment for the 2017-2018 school year effective August 2017.

The new Principal at St. Mary of the Lake School is Mr. Jon Jette. Jon Jette is new to the Slave Lake area and new to our Living Waters Catholic School Division.

“We are excited to welcome Jon onboard as he begins to share his faith and his passion for learning and leading at our St. Mary of the Lake School,” stated Jo-Anne Lanctot.

Originally from Alberta, Jon completed a Piano Performance Degree at The King’s University in 1994 and then a degree in Education from the University of Alberta. He taught music and many other subjects for six years in a junior high setting in Edmonton. His desire to challenge himself further led him to venture to England where he has taught music for the last twelve years in London, England. His experience in one of the poorest boroughs in England has given him the utmost respect and empathy in teaching students from such diverse and economically challenged backgrounds. His leadership experience in leading two consecutive groups of 180 students through five years of their education has strengthened his compassion within and dedication to the Catholic experience of education.

Jon’s favourite hobbies include: reading, fly fishing and cycling. He has worked as a professional musician for many years as a pianist, brass player and chorister. Since he has been in Europe he has also enjoyed skiing the Alps and experiencing most of the history that Europe has to offer.

When asked about his new position, Jon stated, “I believe that all students have potential that we as teachers need to nurture and help grow. I know that alongside with the skilled team at St. Mary of the Lake School my goal will be for every individual to reach and exceed that potential. “

Superintendent Lanctot stated, “We have amazing leaders across our Living Waters division and this new addition will add to the strength of our leadership team as we continue to support our students as they build pathways to the future.”

Living Waters Catholic Schools serves over 2100 students in the communities of Slave Lake, Edson and Whitecourt.

Building pathways to the future
